

Annual American Stock Dog Registry Scholarship Program

(\$1000 cash Scholarships (to be used as needed))

These scholarships will be awarded to graduating seniors who have participated in their family's kennel, and in American Stock Dog Shows, and who will be continuing their education in either college or trade school. We also encourage past recipients to re-apply.

Each applicant will be required to complete the following information, including providing information on the trade school or college they have been accepted in and write a short essay. In the essay they must state the goals they are aiming for, why they feel they are deserving, as well as a description of how they have helped with their family's dogs and the dog shows that they have participated in. Please include a picture that we may use on our website and face book to announce the award.

Applications are due no later than April 1st of the calendar year with award to be made by April 15 of the same year.
