

## American Stock Dog Registry Conformation Titles

These titles are available for Puppies and Adult dogs.

**Level 1 (Ch1p) (Ch1)**

**Level 2 (Ch2p) (Ch2)**

**Elite (EChp) (ECh)**

**Elite Bronze (EChB)**

**Elite Silver (EChS)**

**Elite Gold (EChG)**

**Elite Grand (EGrCh)**

**Each level is achieved by receiving a passing score at an ASDR show.**

Puppies under 9 months of age will only receive puppy titles, starting with Level 1 puppy. Once they are 9 months of age, they will begin their adult titles, starting with Level 1 adult. You may show your puppies as many times as you want but will advance only with puppy titles until they reach 9 months of age. This rule begins with the 2019 show season, but you will have the option to request any puppies shown in 2018 that have achieved titles up to an Elite title to be grandfathered in. This option will only be available until entries close for the first show of the year, and you must request this from the show secretary -

[showsecretary@americanstockdog.org](mailto:showsecretary@americanstockdog.org) Please be sure to provide the dog's name and number in your request.

Puppies will receive title certificates, but no titles will be added to the registration papers. Adults will receive a title certificate upon completion of each level, and all adult info will be added to database and will appear on registration papers. If you would like new registration papers printed, there will be a \$10 office fee for reprints of papers.
