

American Stock Dog Registry Scholarship Application

(applications are due April 15)

Each year, ASDR supports a youth that has been accepted to continue their education in either college or a trade school through a scholarship. In the past we have only accepted applicants that have shown with us at an American Stock Dog Registry show. This year we are going to award a second scholarship as well, this applicant must have an ASDR registered dog. Potential applicants would preferably have shown their dog in another venue or as a 4-H or FFA project.

Scholarship #1 - \$1,500 (Must have shown their ASDR registered dog at an ASDR sanctioned show)
